Coaches Technical Bulletin

Welcome to 2024 Summer Ontario Youth Junior Championships hosted by Peterborough Swim Club

PARTICIPANT SAFETY

Swim Ontario believes that athletes, coaches, officials, support staff and volunteers have the right to participate in a safe and inclusive sport environment that is free of abuse, harassment and discrimination. For additional resources click [HERE](#).

- Only participating swimmers, officials, certified registered coaches, and other authorized people are allowed on the deck.
- NO OTHER PERSON IS PERMITTED on the deck unless expressly authorized by Swim Ontario.

Swim Ontario Concussion Management Procedure (Rowan's Law)

- The [Swim Ontario Concussion Management Procedure](#) is in effect at all Swim Ontario sanctioned events. It outlines the Swim Ontario Removal-from-Sport and Return-to-Sport protocols. Clubs and coaches must ensure athletes are aware of this procedure.
- Meet Management will have copies of the [Concussion Management procedure](#) at the competition.
- Any injury/incident resulting in a significant impact to the head, face, neck or body of any registered participant at any Swim Ontario member sanctioned event where concussion symptoms are present must be reported to the Chief Operating Officer of Swim Ontario within 24 hours using the [Swim Ontario Injury reporting form](#)

Parents, coaches, officials, volunteers and swimmers all have a role to play in ensuring the safety of all participants at sanctioned competitions in Ontario. We must create an environment that encourages and motivates participants to assume responsibility for their own safety and the safety of others.

Open and Observable Environment

Swimming Canada and Swim Ontario are dedicated to providing a safe and inclusive environment, which involves promoting Open and Observable Environments. This means avoiding situations where a coach/official/staff member, etc. might be alone with an athlete. All interactions between an athlete and an individual who is in a position of trust must be in an environment or space that is both 'open' and 'observable' to others.
